

MONTH 5

LESSON 1A: PRAISING YOUR SPOUSE

How do I uplift and encourage my spouse?

Instructions: Our words have incredible power to build up our spouse or tear them down. We need to be intentional about building them up. Try and find something to praise about your spouse every day. Cut out the cards below and leave them for your spouse to find, copy them into a note, send your spouse a text, leave a voicemail, or get even more creative!
